

## The html for the web page is:

```
<html>
<title> My next baby step in Web page creation </title>
<body>
<h2 align="center"> My next baby step in Web page creation
</h2>
<h3> Your Name Goes Here </h3>
<p> This is my next web page. I like doing this because:
<ul > <li> It's really easy </li>
<ul> <li> Anyone can do it </li>
<li>Even I can </li> </ul>
<li> It's really fun </li>
<li> I get to leave early </li>
</ul>
</body>
</html>
```

Your web page will look like this:

---

My next baby step in Web page creation

---

Your Name Goes Here

This is my next web page. I like doing this because:

- it's really easy
  - Anyone can do it
  - Even I can
- it's really fun
- I get to leave early
